

GET INVOLVED AND MAKE THE DIFFERENCE

ARE YOU A:

Here is an exclusive opportunity for you!

Quality Insights Renal Network 3 (QIRN3) invites you to join the Patient and Family Advisory Council (PFAC). As a Subject Matter Expert (SME) you have a voice, and your voice counts where it matters most...in the care you receive and/or care your loved one receives!

Take time to share your unique knowledge and experiences with QIRN3 staff, peers like yourself and learn more about the things that are happening within the renal community at a local, state and national level. Your participation and contributions will add tremendous value to the work of the PFAC.

As a SME of the PFAC you will:

PFAC
Patient & Family
Advisory Council

If interested in joining or for more information, please ask your dialysis facility staff to provide you with a copy of the PFAC Representative Guide and Application!

You may also contact QIRN3:
Yessi Cubillo
(609) 490-0310 (Ext. 2431)
ycubillo@qualityinsights.org

Help Network staff understand what is important to patients and family members

Assist with developing and promoting educational materials and resources for patients and facility staff

Direct attention to areas and/or issues of patient and family concern

Provide feedback on the effectiveness of QIRN3's projects and patient and family-related activities

Assist in the development and promotion of a patient and family-centered culture throughout the Network 3 renal community!
