PATIENT MENTORING PROGRAM

ARE YOU INTERESTED IN...

CONNECTING WITH A PATIENT MENTOR

- Enjoy the benefits of having social support from patients like yourself.
- Learn about treatment options from patients with real life experience.
- Set personal goals and talk about them with a patient mentor.
- Obtain useful resources and support to strengthen your partnership with the healthcare team.

BEING A PATIENT MENTOR

- Offer positive role modeling to new patients and patients in need of support.
- Share your experiences and information on treatment options.
- Help patients understand the benefits of being involved in their care.
- Encourage positive communication with the healthcare team.

To be a patient mentor in this program, you must have been a renal patient on dialysis and/or transplanted for at least one year and are willing to complete at least four online Patient Mentoring courses.

HOW CAN I PARTICIPATE IN THIS PROGRAM?

1. Let your facility social worker, nurse, manager, other facility staff or Network 3 contact know that you are interested.
2. Complete the Patient Mentor/Mentee Application and give it to your facility staff or Network 3 contact.
3. Set aside time to connect with a patient mentor / mentee in person, by phone or virtually.
