Conditions for Coverage

- CMS established regulations that in order for facilities to be certified under the Medicare program, the CfC must be followed.
 - “The dialysis facility must cooperate with the ESRD network designated for its geographic area, in fulfilling the terms of the Network's current statement of work. Each facility must participate in ESRD network activities and pursue network goals.” *42 CFR 494.180(i)*
- Partner with State Survey Agency to ensure CfC are met.
