## **Together in Transplant : A Team Based Approach To Understand Strategies for Kidney Transplant Patients**

Presented via Zoom

**Friday, May 16th, 2025**  
9:00am - 3:15pm

**Registration Fee : FREE**

**Purpose :** The day will focus on the critical role you play as a transplant designee to enhance your patients' lives through transplantation. This multidisciplinary symposium will empower you as healthcare professionals who want to implement the role of a transplant designee. You will specifically learn about renal transplantation as a treatment modality for your CKD patients.

**Target Audience:** This symposium is designed for administrators, nurses, social workers, dietitians, patient care technicians in a variety of healthcare settings as well as other healthcare professionals who work with dialysis patients.
