Join us on March 5 or March 6 for an interactive session with the staff from **Montefiore Einstein Kidney Transplant** to learn about living donation kidney transplant. In this session, providers can engage directly with transplant center staff, discuss key transplant considerations, and explore strategies for helping patients achieve the best outcomes.

### Topics Include:

- Brief History of Organ Donation
- Criteria and Risks of Donation
- Post Donation
- Stats and Trends
- Evaluation of Donors/Process
- “Getting the Word Out” – Patient Story
- Donation and Matching
- Donor Surgery
- Future of Donation

This educational activity has been approved by the IPRO ESRD Network Program, an approved provider of the California Board of Nursing (CEP 17361) to provide (1) continuing education hour to the following disciplines: Registered and Practical Nurses, Dialysis Technicians, and Dietitians.
