

WE ARE THE FIRSTLINE OF DEFENSE

FIGHT INFECTION WITH TRAINING VIDEOS FROM PROJECT FIRSTLINE

CDC's National Training Collaborative For Health Care Control

-  Learn the basic ideas behind infection control in health care
-  Discover best practices for preventing the spread of COVID-19
-  Use knowledge to protect yourself, your patients, and your community

EARN CONTINUING EDUCATION

Earn credit through Training and Continuing Education Online (TCEO) or receive a certificate of completion by watching Project Firstline's training videos.

BE A LEADER AT YOUR FACILITY

Project Firstline provides tools and training so you can become an infection control leader at your facility. You don't need to be an expert to lead the trainings and make a difference.
